What Is Housing Connections?

Housing Connections is the point of access for people who want to apply for subsidized housing in the Toronto area. We maintain a centralized waiting list for more than 600 locations across the City and we work with a network of agencies and housing providers to help you find housing. **Housing Connections is not a landlord. We do not offer housing.**

Who Can Apply For Subsidized Housing?

- 1) Each member of your household must be:
 - a Canadian citizen, or
 - a landed immigrant (permanent resident), or
 - an applicant for permanent resident status, or
 - a refugee, or
 - a refugee claimant with no enforceable deportation, departure or exclusion order.**You must attach proof of status for each member to your application.**
- 2) At least one person in your household must be 16 or older and able to live independently (with support services if needed). **You must attach proof of age.**
- 3) If any member of the household owes money to a social housing provider in Ontario, you must attach a copy of a written agreement, signed by the provider, stating how you will repay.
- 4) Your application will be rejected if any member of the household has been convicted in court or at the Ontario Rent Tribunal within the last two years of an offence related to rent-geared-to-income assistance or of misrepresenting their income in order to receive housing assistance.

Important

You must meet these four conditions to apply. If you do not meet them, we will not accept your application.

How To Fill Out Your Application

- 1) Complete **all** sections of the application. **If your application is incomplete, we will mail it back to you without putting you on the waiting list.**
- 2) Use the *Housing Listings* booklet to select where you want to live. Contact Housing Connections if you need a copy of the booklet. You can also find housing lists on our website at www.housingconnections.ca.
- 3) Attach **all** of the documents required. Use the checklist at the back of the application to make sure you have included everything.
- 4) Mail or deliver your application to Housing Connections at the address in the top right corner. You can also fax your application but you should note that **fax is not a secure way to send personal information.**

How Long Will You Have To Wait?

Housing Connections will process your completed application and add you to our centralized waiting list. We cannot predict how long you will have to wait because we do not know when there will be vacancies in the buildings you selected. As a rule, the larger the unit you need, the longer you will have to wait.

How To Keep Your Place On The Waiting List

Stay connected

If your contact information changes, tell us right away. **We will make your file inactive if we cannot contact you.** You cannot be offered housing if your file is inactive.

Keep your application up to date

The government regulations for social housing make it **your responsibility** to keep your application up to date. If you do not tell us about changes in your information, **you could lose your place on the waiting list.** Housing Connections will also review your eligibility once a year.

Stay eligible

Every member of your household must continue to meet the four conditions listed under "Who can apply for subsidized Housing?"

Review your needs regularly

Review your housing needs regularly and tell us right away if your preferences change. Remember, **you only get three offers before losing your eligibility to be on the waiting list.** So contact Housing Connections if you need to update your selections.

Opportunity to Comment

If Housing Connections receives information from another person or agency that may affect your eligibility for RGI housing, you will be advised in writing. You will have 30 days to comment on the information after which time a decision will be made about your eligibility. You have the right to request a review of the decision. For a complete description of the process, please ask Housing Connections.

As You Get Closer To The Top Of The Waiting List

Additional information and proof of eligibility may be required as you get closer to the top of the waiting list. For example:

- ***Proof of income***
You will be asked for written proof of your income. Housing providers will need to see proof of income before they can offer you a unit.
- ***If you own a home***
If anyone in your household has a financial interest in any home anywhere in the world, you must agree, in writing, to divest yourself of the property within six months of getting housed. This means you must sell your interest in the property. You do not have to make this decision when you first apply but you will have to make it before you get housed.

Housing Connections has permission to gather the personal information we ask for in this application under the following laws:

- City of Toronto Act, 1997 (No. 2).

Section 6 – Preferences (Communities or buildings where you would like to live)

Tell us where you would like to live. Make your selection using **either** Option 1 or Option 2. **Do not use both options.** If you do not select either of these options, Housing Connections will automatically place your household on the waiting lists for housing developments within your postal code.

Option 1: Select areas or zones

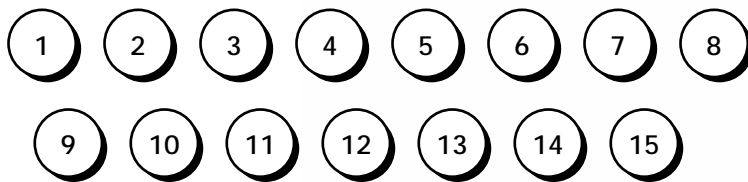

- Select the zones where you are willing to live. Housing Connections will automatically add your household to the waiting lists of all buildings that match your housing needs in the zones you select. You may select as many zones as you want.
- This is a good option if you have no particular buildings in mind but want to be near friends and relatives, your workplace, your hospital, or a favourite park or recreation centre.

Option 2: Select specific buildings

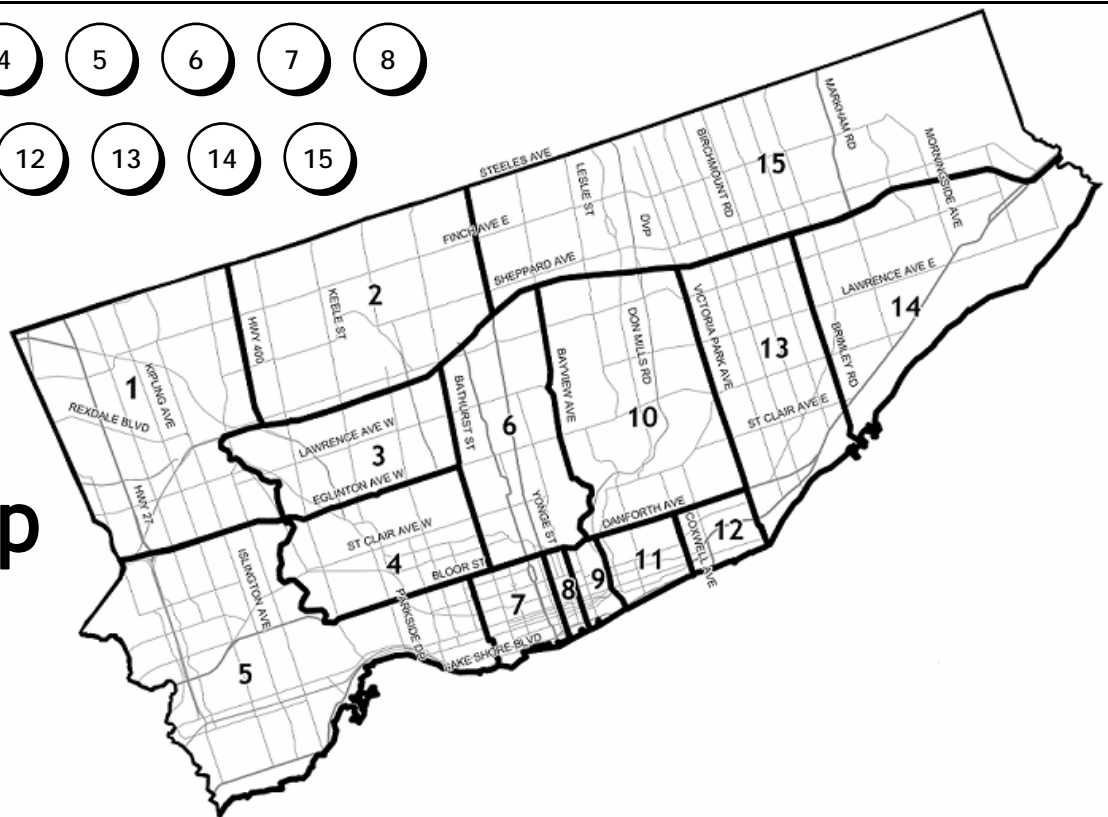

- Tell us exactly where you would like to live and Housing Connections will add your household to the waiting lists of only the buildings you choose.
- This is your best option if:
 - there are particular buildings where you want to live
 - you are willing to wait for those buildings
 - you are not interested in looking at any other choices

Option 1

Toronto is divided into 15 zones. Select the zones where you would like to live by checking the circles above the map. You may select as many zones as you want.

Option 2
